

Survey of Minnesota Co-op-Sponsored Student Scholarships

Long time MAC Executive Director Ed Slettom is being inducted into the National Cooperative Business Association's Cooperative Hall of Fame in 2009. He was a leader in co-op education. We want to honor his work by compiling a list of all the scholarships offered in the state by co-ops for students. Our goal is to create a master list of all co-op scholarships offered/awarded in state to promote how co-ops help build future leaders. Please help us in this endeavor by completing and returning this survey.
